Career Objective:

As a skilled, responsible, and dedicated Fiber/Field Technician, I am committed to utilizing my knowledge and experience in Networking, ISP, and Telecommunication services to complete the organization's daily tasks efficiently, accurately, and effectively. My objective is to streamline. I have practical experience in fiber optic installation, FTTH services, GPON & EPON network support, fiber fault troubleshooting, optical power measurement, OTDR testing, and field-level network maintenance. Additionally, I aim to enhance my own skills and professional standards to play a significant role in the organization's long-term success. I am always ready to work in a technology-driven, progressive, and result-oriented environment. I aim to contribute to the organization by ensuring reliable connectivity, maintaining service quality, and supporting efficient network operations.
